Dear Mita,

At first take my cordial love. Hope you are safe and sound. Today I'm going to tell you about my reading room. The morning sun rays enters into it and there is enough space of air circulation. There are a reading table, a chair and a bookshelf in my room. If you come, you can see there are a world map, a wall clock and some beautiful wall mats hung on the wall of my reading room. The bookshelf is kept beside the table. I like my reading room and I keep it neat and clean.

Hope to see you soon
