Experience on a Journey by Train

04

Yes, I have a train journey experience. For me, the train journey is very enjoyable. Several times I went from Chittagong to our village home Chandpur by train. Sitting by the window of the train, my mind was thrilled to see the green trees of Bangladesh, the fields of green crops. Seeing such a beauty of Bangladesh, I fell in love with the country. I began to say in my mind how beautiful Bangladesh is.
