

**Stranger:** Good morning, Can I know what is the name of your school?

**Myself:** Yes, Meherpur Govt High School.

**Stranger:** Can you tell me the way of your school? It will be helpful to me.

**Myself:** Sure, I will give you the direction to my school.

**Stranger:** How much time its takes to reach our school?

**Myself:** It takes at least 15 minutes to reach there from my home.

**Stranger:** By any transportation? How much it takes time?

**Myself:** Hmm. It takes 5 to 7 minutes as usual by rickshaw.

**Stranger:** Please tell me the way.

**Myself:** Go straight until you reach in front of a hospital then take a turn and go straight.

**Stranger:** Then?

**Myself:** Then you will find a post office. My school is in front of the post office.

**Stranger:** Thank you so much for your help.

**Myself:** My pleasure. Bye
